**End of Year Report on Lakeside Level Assessments
2021/2022 Cohort
KEY STAGE PROGRESS**

At Lakeside we are committed to using non-judgemental language with regard to our pupils. We have therefore decided to describe their progress within our assessment, procedures across a key stage in terms of colour. This table shows the ranges of progress across a Key Stage that would be defined as Red, (below expected) Orange, ('expected') Green ('good') & Blue ('outstanding').

These figures were compiled after three years of collecting, collating and analysing progress across the Key Stages between the 9 Special Schools involved in "Special School's Moderation and Assessment Group" (SSMAG). The benchmarks that the data provides have been validated by OFSTED during inspections in all the SSMAG schools. We know these benchmarks then to reflect a robust, rigorous and precise system of moderation.

In layman's terms pupil's whose profiles produce red are a cause for immediate concern – please see their case studies for a breakdown of planned interventions to support progress.

Pupils whose profiles produce amber require constant monitoring and planned immediate interventions to prevent their progress dipping into red.

Pupils within the green range of progress are not a cause for concern, are learning as expected and progress within this range is what would be would generally hope for across the school.

Pupils within the blue range have made much more progress than expected. They would not necessarily be expected to maintain this pace of progress.

This comparison is shown as suppressed by <https://www.compare-school-performance.service.gov.uk>.

“Suppressed: in certain circumstances we will suppress an establishment's data. This is usually when there are 5 or fewer pupils or students covered by the measure (29 for apprenticeships measures). We avoid making these figures public to protect individual privacy. We may also suppress data on a case-by-case basis.”

The 16-18 Accountability Headline Measures Guidance does not apply to Lakeside.
