Lakeside School - Accessibility Audit 2025

Area	Developments 2025-2026 and Issues
<p>Hall</p> <p>This room is not fit for purpose.</p>	<p>With increased numbers of pupils and staff, egress has been constant which means we can no longer have distraction free lessons or meetings.</p> <p>Furthermore we cannot run parent friendly meetings with the hall in its current state – local authority are aware.</p> <p>Ceiling needs dropping and daylight lighting installed</p> <p>Sliding doors need to be added to make this an easier learning environment for pupils with learning difficulties particularly those with autism</p>
<p>Swimming Pool</p> <p>This room is fit for purpose.</p>	<p>New swimming pool teacher in process of being trained to deliver high quality sensory swims, autism specific swims and learning the implications of a sensory impairment when learning to swim.</p>
<p>Medical Room</p>	<p>This room is fit for purpose.</p>
<p>Breakout space in top corridor.</p> <p>This room is not fit for purpose.</p>	<p>Put adjustable tables in for potential wheelchair users.</p>
<p>Boy's Toilet</p>	<p>This room is fit for purpose</p>

Lakeside School - Accessibility Audit 2025

Area	Developments 2025-2026 and Issues
Girls' Toilet	This room is fit for purpose.
Disabled toilet This room is fit for purpose.	Disabled toilet can be used for pupils and adults Equipped with toilet, support arms, low level sink. Easily accessible
Gents Toilet	Gents toilet converted into unisex space, in the interests of providing non binary bathroom area.
School Office This room is not fit for purpose.	School office not fit for purpose due to increased numbers of staff. Access to be improved through removal of walls, allowing egress for any staff/pupils with mobility issues in and around the reception area. Local authority aware.
Head's Office This room is fit for purpose.	Wheelchair access possible for all but the widest chairs but only with adult assistance as the turning circle is poor.
Dep Head Office Fit for current use	This is a very small office and wheelchairs can only just get in and have to reverse out.

Lakeside School - Accessibility Audit 2025

Area	Developments 2025-2026 and Issues
Office for admin staff	Fit for current use
Staff Room / PPA room Fit for current use	The internal door and its position make wheelchair access to the staff room very difficult. The PPA room external door has a steep step – not suitable for wheelchair users who would gain access to the building from the main front door.
Front Porch and Entrance Hall	This area is fit for purpose.
Primary 2 playground	Fit for purpose.
Primary 1 playground Needs development	Adjoining space to be equipped with up to date outdoor sensory equipment, including development of sensory garden area.
Lower playground Needs development	Field to be completed to be fit for purpose for pupils with autism
Upper Playground	Fit for purpose
Side Access	Fit for purpose.
